

**PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA**

**CHIEF HEARING OFFICER DIRECTIVE**

**DOCKET NOS. 2020-275-S ORDER NO. 2021-109-H**

**AUGUST 24, 2021**

**CHIEF HEARING OFFICER: David Butler**

**DOCKET DESCRIPTION:**

**Application of Condor Environmental, Incorporated Requesting an Expansion of Its Existing Sewer Service Area to Include Certain Portions of Anderson County and Approval of Agreement (Expedited Consideration Requested)**

**MATTER UNDER CONSIDERATION:**

**Request to Cancel Hearing**

**CHIEF HEARING OFFICER'S ACTION:**

**This matter comes before the Chief Hearing Officer on the Request of Condor Environmental, Incorporated ("Condor") to cancel the hearing in this Docket scheduled for September 7, 2021.**

**On July 13, 2021, Renewable Water Resources ("ReWa") informed the Commission it had reached an agreement in principle with Condor and requested that the Commission suspend prefilings deadlines in this Docket, so the parties could work on reducing their agreement to writing, which would also require amendment of contracts between Condor, ECU, and the developer of Carriage Hills. Condor asserts that the parties are working towards that end and hope to have these agreements concluded soon. However, due to circumstances beyond their control, Condor asserts that it and ReWa do not know if those agreements that require the Commission's approval will be finalized by September 7, 2021, the date of the hearing presently scheduled in this matter. Therefore, Condor requests that the hearing scheduled for September 7, 2021 be cancelled.**

**Condor states good cause for cancellation of the hearing on September 7, 2021. Since the finalization of various agreements needing approval by the Commission are in doubt, this Chief Hearing Officer believes that good cause exists for cancellation of the hearing. Accordingly, the September 7, 2021 hearing in this Docket is cancelled, subject to rescheduling at a later date. This ends the Chief Hearing Officer's Directive.**
